

## MDM sponsored event Sailing Instructions

### General

#### FLEET racing in the morning

- First race start 10:30
- Course: See course on Notice board to be displayed 30 minutes before the start
- 2 races in the morning to be sailed back-to-back

#### SLALOM racing in the afternoon

- Start time - see notice board for start time/order for each team. After the first round the start order will be given verbally on the water from the committee boat.
- Minimum of 2 teams chosen by the organisers based on seeding from the morning races to ensure teams are evenly matched.
- No spinnakers
- Course: See diagram –
  - Start between committee boat and pin mark
  - You must tack or gybe around each mark. (No running by the lee and skipping a gybe.)
  - After the last rounding of mark 2 head straight to the finish line
- Teams will sail on a knock out basis, with losers going into a losers round if there is time.
- Final round will be on the “best of three” basis
- Format:
  - Start routine – 3 minute warning, sound Signal and “O” flag  
2 minute warning, sound signal and “P” flag  
1 minute warning, sound signal and “P” flag down  
Start, sound signal “O” flag down
  - “Tag” racing. Once the first boat in a team crosses the finish line the second boat may start, and so on. If a boat starts early the X flag will be flown with a sound signal. The Race Officer will also attempt to hail the boat. Boats that do not return to restart correctly will disqualify the team.
  - If the Race Officer believes a boat may have infringed a rule and has not been exonerated, he may penalise that boat or any other boat in that team without a hearing. This changes RRS 63.1. The penalty will be given orally on the water.
  - Teams may choose the order in which their competitors sail.
  - Each boat in a team is to sail 1 lap
